In association with
CBR Network and IIMS**

APPLICATIONS OPEN!

TWO YEAR DIPLOMA COURSE ON INCLUSIVE PRE SCHOOL EDUCATION (DIPSE)

Highlights of the course:

1. The course is based on the two-year DPSE curriculum framework 2014 developed by NCTE and NCERT ECCE curriculum.
2. The course aims to train students to apply Montessori method, International Portage ECCD and Joyful inclusion in the existing and new preschools to develop as inclusive education centers.
3. The course shall build the capacity of students not only to function as pre-school inclusive teachers but also in planning and management of preschools and ECCD projects.
4. The course enables students to work in preschools in India and other countries as it is designed taking the global policies and programmes in the area of ECCD.

Why you should join this programme?

1. The course aims to build the capacity of students by sharing knowledge, skills and attitude necessary to build quality ECCD and preschool services at the community level.
2. The course uses the state of the technology in the training such as podcasts, virtual classroom lectures, digital library, multimedia, student blogs in Kannada and English languages which enhances to quality of learning. There is a special focus on the development of skills necessary to work towards to holistic development of every child by making optimum use of the inherent potential.
3. The formal professional qualifications shall be required in India as per the ECCD policy of 2017 of government of India and 86th amendment of Indian constitution article 45 on universalization of elementary education in which preschool education has been included. The article 45 provides that the State shall endeavour to provide early childhood education and care for all children up to 6 years of age. This needs adequately trained and rightly oriented teachers to provide inclusive ECCD and Preschool education services.

Semester based course

The course is offered in 4 semesters for the convince of students

Convenient timings

The lectures shall be held from 2.30 PM onwards to help students who are already working in schools.

Online class support

All theory-based course shall be available to all students on mobile app and internet prior to the lectures. This would lead to enhanced quality in learning.

Self-learning focus

The course provides a huge opportunity for self-learning by providing free access to digital library which a student can access from anywhere in India.

Student loans and Post Metric scholarships

Students can avail student loans from the banks. Students with disabilities and economically weaker class can apply for Post metric scholarships.

Fees:

Rs 30,000 per semester which is inclusive all charges except application and examination fees
